Gentlemen:

Supplemental Permit is hereby granted to Industrial Building Operations to accept certain restricted materials for use in construction of access road base all in accordance with the plans prepared by Leonard C. Triem, dated May 14, 1974 and received by the Agency on May 15, 1974. This supplemental permit is further subject to the following special condition:

Road-base material shall be strictly limited to broken bricks, concrete, and reject roofing materials. No combustibles (wood, paper, cardboard, etc.), plaster, or dry wall shall be used in this construction.

Except as modified in the above documents, the site shall be operated in accordance with the terms and conditions of Permit No. 1972-5 dated January 21, 1974.

Very truly yours,

ENVIRONMENTAL PROTECTION AGENCY
